Welcome

Warm welcome to the Scientific Clinical Educational Program, the 6th Edition of "NUTRITION BOOT CAMP 2022" organized by Dr. Sanjith Sassedharan, endorsed by ISPEN (The Indian Society for Parenteral & Enteral Nutrition) and supported by S.L. Raheja Hospital in Collaboration with DocMode Health Technologies, who are the Official Knowledge Partners for the Nutrition Boot Camp. The Nutrition Boot Camp has been the most Anticipated Clinical Nutrition Event in the Country, especially in the Western Region which attracts over 500 plus delegates including Physicians, Intensivists, Surgeons, Registered Dietitians, and all other Specialties.The Nutrition Boot Camp is all set to explore the latest developments in nutrition science and clinical topics while empowering the audience with critical thinking and decision-making. With 4 interactive Debates and Hands-on Workstations to better understand the importance of Clinical Nutritions and best practices for assessing, screening, planning, monitoring, managing enteral-parenteral nutritional care in hospitals and clinical set-ups including pre and post-hospitalization. Building on the success of the previous NUTRITION BOOT CAMP we are looking for an exciting Programme with stalwarts of the country where ideas will be debated, new ideas will be created and age-old wisdom will be rekindled.

The 6th Edition **"ISPEN NUTRITION BOOT CAMP"** is at the exquisite venue of **The Lalit Mumbai on 7th May 2022.**We look forward to seeing you there.

We look forward to seeing you there.
